Families and the Gospel

Matthew 28:16-20

In today's gospel Jesus commands, "Teach them to carry out everything I have commanded you." This command is meant for every Christian. In light of the command, parenting is not only the most difficult task a person can take on, it is also one of the most apostolic and missionary tasks. Jesus commands all parents to teach their children "all that I have commanded you."

The Healing Patch

1 in 7 children in America will lose a parent or sibling by the age of 20. Behind this staggering statistic are real children – grieving children who often say that they feel alone because others just don't understand. They need help and support to know that they are not alone. And that's what they get through Home Nursing Agency's Healing Patch: A Program for Loss and Hope for Grieving Children and Their Families. The Healing Patch is a free service to support grieving children through family sessions, in-school groups, grief education, and more. Volunteers are the heart of the Healing Patch, as they facilitate activities to help children and adults connect and share their feelings in a safe and welcoming environment. Join us for an **Open House on Thursday, June 14 from 5:30 – 7:30 pm at the Home Nursing Agency Corporate Office, 20 Sheraton Dr., Altoona.** Learn about the free services for families and how you can share your time and talents, lend an ear, and make a difference as a volunteer.
